OVERVIEW

Business Port Pirie exists to 'Build Business Success', which secures a range of services for those who live in our region, while broadening employment, education and training opportunities available for youth and others.

Business Port Pirie work across various sectors to organise and promote the common interests of our local community. By facilitating relationships, Business Port Pirie ensure that businesses are able to collaborate in creating opportunities for themselves, their partners, and their clients.

We know a successful business sector delivers a stronger, more successful community for all.
